

IRONTON RAIL-TRAIL
MEMBERSHIP / DONATION

Rev. 10/22

*The former **Ironton Railroad** has been transformed into a 9.2-mile multi-use, safe, historic, year-round recreational resource for local residents and visitors. The Ironton Rail-Trail (IRT) provides a link between the local communities of **Coplay Borough, North Whitehall Township, and Whitehall Township** and some of their recreational areas, in addition to serving as a spur to the **Delaware and Lehigh National Heritage Corridor Rail-Trail**.*

The IRT is owned and maintained by the 3 municipalities of Coplay Borough, North Whitehall Township, and Whitehall Township. **Ninety percent of maintenance and amenities are provided by volunteers and donations.**

Your tax-deductible membership/contribution will provide the funds for maintaining and improving the IRT. Our sincere thanks for your support.
